ADOPT-A-STREET PROGRAM

A Resident Service Program offered by the City of Blue Springs, Missouri

Caring for our streets means caring for the environment

The City of Blue Springs needs your assistance to help keep more than 230 miles of streets litter free. By adopting a street, your organization will not only help keep Blue Springs beautiful but also generate public awareness about the importance of the environment.

How do you adopt a street?

- Adopting a street is easy! All individuals and groups in Blue Springs are welcome to adopt a street.
- Street adopters are requested to pick up trash along the roadway at least nine time per year, which is about every 45 days. Of course, you are welcome to do it more often.
- If you are not sure what street to adopt, the City will provide a list of streets that are in need of extra care. Call 816-228-0195 to begin the adoption process.
- After you have confirmed a street to adopt, please complete the Request for Information Form enclosed within this brochure and return it to the Public Works at City Hall. Your group will be sent an Adoption Agreement that must be completed and returned to the Public Works office before your first pickup.

BLUE SPRINGS
MISSOURI

What will the City provide for you?

- Signs at each end of the adopted roadway
- Safety vests each time you pick up litter
- Trash bags
- Pick up within 24 hours

How do you organize a clean-up day?

- Select a day and call 816-228-0195 at least 48 hours in advance so arrangements can be made to borrow safety vests and get trash bags.
- Pick up trash. Your group may keep recyclables such as aluminum cans, glass or newspapers.
- Leave trash bags at edge of curb and call for pick up by City crews. This how we track each group's involvment.
- Report any hazardous material to 816-228-0195.
