PSST FINANCIAL REPORT:

The 1/2% Public Safety sales tax is imposed on all taxable goods and services within the City limits of Blue Springs and can only be used for public safety purposes. The tax went into effect on October 1, 2011. The detailed budget for the Public Safety Sales Tax Fund can be found on page 87 of the 2024-25 adopted budget. For the month of April, the City received 92% budgeted revenues and 88% of revenue received last year. For the fiscal year, PSST sales tax revenues are $116,408 or 4.1% over budget.

Board members had discussion regarding financials. Chairperson Calhoun moved to approve the PSST Financial report. Motion seconded by Board member Prins and carried with the following votes:

Chairperson Calhoun - AYE
Board member Boyce - AYE
Board member Koehler – AYE
Board member Krueger - AYE
Board member Prins – AYE

PSST FACILITIES REPORT:
Chief Muenz gave the PSST Facilities Report regarding the Blue Springs Public Safety Building.

The HVAC system chiller continues to be an issue. It is still working at half capacity and what was thought to be fixed was not fixed. Parks Maintenance has been in contact with the vendor about replacement. The plan at this point is to continue to keep the chiller operating as long as possible while a replacement is ordered. The replacement chiller will be covered under warranty, but some electrical and crane cost to install it will not be covered. The chiller will take about 6 months to build when ordered.

A contractor has been selected and approved to repair the cracked and settled concrete on the southeast corner of the fountain/flagpole area and add two concrete walkways. One walkway by the mobile command vehicle and one by the north walk-through gate. The repair is needed by the fountain not only to address the settling but to gain access to electrical under the cement. It has been determined that lights near the flagpole area are not functioning due to an unknown problem under the concrete. An electrician will be used to make those repairs for a separate cost prior to new concrete being poured.

The bollards in the front of the building are crumbling and will need to be repaired as well but will need to be funded in a future budget. The estimated cost to repair the bollards is approximately $9000.00.

Funds in the amount of $7000.00 have been requested in the next fiscal year to repair/lift the concrete outside the Community Services Bureau entrance and the south employee entrance.

PUBLIC SAFETY SALES TAX GOALS/PROJECTS UPDATES & POLICE DEPARTMENT REPORT:
The board discussed the 56th quarterly report, vacancies, new hires, response times and the crime-overview report.

ANNUAL FORUM DISCUSSION:
"Crime in Your Community – A Discussion for a Safer Blue Springs" was selected as the forum topic scheduled for October 28. Suggestions for involving the public, this included inviting HOA reps, recording the meeting and putting on Facebook and YouTube and getting questions from citizens prior to the forum.

CAPITAL IMPROVEMENT PROGRAM:
Chief Muenz discussed and provided information about requested capital improvement items.

REQUEST FOR ITEMS TO BE DISCUSSED AT NEXT MEETING:
Christine Cates will attend the June meeting to explain the PSST funds.

ADJOURNMENT:

There was no further business to come before the board. Chairperson Calhoun moved the meeting be adjourned. Motion seconded by Board member Prins and carried unanimously.

Objective:

To document the policies and procedures related to the revenues and expenditures of the Public Safety Sales Tax (PSST).

Authority/Responsibility:

Invoice Approval - All invoices for expenditures funded through the PSST must be approved by the Chief, Deputy Chief, or the Captain of the bureau where the cost originated or their designee. For PSST invoices related to technology, the Director of Information Technology or the Assistant City Administrator must approve the invoices.

Policy:

The citizens of Blue Springs passed a ½ cent sales tax for public safety April 5, 2011. The tax went into effect on October 1, 2011. The sales tax was passed to address facilities, personnel and equipment.

The long-range forecast and budget for the Public Safety Sales Tax Fund has been established on the premise that up to one-half of the annual revenue would be dedicated to capital improvements and debt service and the other half of the annual revenue would be used for operating expenditures.

A reserve of no less than 8% of the annual sales tax revenues and no more than 20% will be maintained in fund balance to offset significant fluctuations in projected revenues.

A building maintenance and replacement fund will be established to ensure funds are available for the maintenance and replacement of items related to any and all public safety facilities. This fund will be established at a maximum of 10% of the total cost for public safety facilities funded by the Public Safety Sales Tax. The maximum amount will be $2.2 million and monies will be deposited into this fund as they come available from savings in the operating budget.

An equipment maintenance fund for the replacement of mobile data terminals (MDTs), and subscriber radios will be replenished annually in the amount of $150,000 annually if revenues allow. The City has made a significant investment in this technology and is establishing this fund to ensure funds are available for the maintenance and replacement of these items.

- MDTs – Thirty-three MDTs were purchased in 2010 and have a projected six-year life cycle.

- Subscriber radios – 260 radios (mobile and portable) were purchased in 2012 and have a projected 12-year life cycle.
